

Planning Applications Meeting
Monday 30th November @ 7.00pm – Church Hall

Following the parish council 16th Nov. meeting the PC planning committee requested this meeting of the full parish council to more fully discuss and agree responses (as EHDC consultees) to the following potentially contentious planning applications; (ref. PC Meeting 16th Nov)

SDNP/15/05630/LIS – Church Cottage, Church Road, East Meon
SDNP/15/05469/FUL – Parsonage Barn, Harvesting Lane, East Meon

Notice of the meeting was previously posted on the parish website for any interested resident to attend but not participate in the councillors' discussions. However at the discretion of the chair could be invited to speak.

Attendees;

Parish Council: Cllrs Bartlett, Davenport, Cooke, Carney, Tyrwitt-Drake,
Pamplin, Atkinson & Redpath (chair of PC)

Residents: Messrs Collett, Mitchell & Hunt

Meeting

One resident - A. Collett, applicant Parsonage Barn, took up the invitation to address the Cllrs. He wished to point out that this application was not setting precedent, as 100 similar 'exemplary' applications had been approved in England & Wales over the past 20 years.

Cllr Redpath opened the meeting and determined that as full details of both applications had been previously circulated to all Cllrs. then passed the chair to Cllr Bartlett (chair of planning) who outlined draft planning committee responses for consideration. Full discussions ensued and resulted in:

- Unanimous objection to; **SDNP/15/05630/LIS**
- The objection to **SDNP/15/05469/FUL** was carried - five Cllr objections, one in favour & one abstention (chair of PC only votes in the event of a tie).

Parish council responses were subsequently submitted to EHDC Planning and posted on their website.
