

East Meon Parish Council

5 December 2015

Dear Sirs

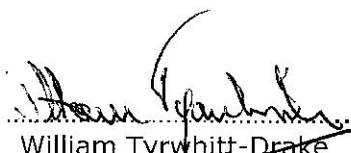

East Meon Neighbourhood Plan – Availability for development of land to the north of Coombe Road referred to as sites B3 and B4

We are respectively the freehold owners of land adjacent to Garston Farm, shown as sites B3 and B4 on the EMNP original proposed site map.

We refer to Steve Ridgeon's email to Richard Brown dated 20 November 2015 and, as requested, write to confirm that the land at the above combined sites will be available for development within a period of five years.

We trust that this will address your enquiry, but if any further information is required, please let us know.

Yours faithfully
