Subject: East Meon Neighbourhood Plan - School Site

Dear Alan

Re. East Meon Neighbourhood Plan - Suggested development of the School Site

The School Governors and the Head Teacher have considered the suggested development of the school site. The proposal was also discussed with, and dismissed by the land owners, who are Hampshire County Council. Consequently, on viability, environmental and community cohesion grounds, East Meon C of E Primary School do not wish to pursue the proposal.

Sincere Regards

James Freemantle
Chair of Governors
East Meon C of E Primary School
